Si c'est un sous-officier breveté ou un sous-officier, il doit porter un certificat indiquant qu'il est apte à remplir les devoirs du grade ou de l'emploi pour lequel la solde d'efficacité peut être réclamée. Quand ce certificat n'est pas délivré par une école militaire, il doit être signé par l'officier commandant l'unité.

(*d*) De plus, il doit aussi avoir rempli les conditions suivantes selon l'arme du service auquel il appartient :

1. Cavalerie et infanterie.

Il doit, sauf s'il est exempté comme ci-dessous, avoir fait une moyenne d'*outers* aux deux plus courtes portées prescrites pour la pratique du tir de son corps :—

Cavalerie : Exemptions,—

Maréchaux des logis fourriers de régiment.
Maréchaux des logis payeurs.

Sergents de la salle du rapport.
Brigadiers d'hôpital.
Cuisiniers (2 par escadron).
Serviteurs ou domestiques (1 par officier).

Infanterie : Exemptions,
Sergent-major.
Chefs de musique.
Sergents-fourriers.
Tambours-majors.
Sergents de la salle du rapport.
Sergents payeurs.

2. Artillerie.

L'unité à laquelle il appartient doit avoir obtenu de l'officier inspecteur un certificat lui donnant au moins 50% des marques allouées au dressage pour le concours d'efficacité générale de l'Association d'artillerie canadienne pour cette année-là.

3. Génie et intendance militaire.

L'officier inspecteur doit avoir certifié que l'unité à laquelle il appartient a fait un progrès suffisant durant le dressage.

4. Unités du service de santé.

Il doit avoir passé un examen satisfaisant qui sera tenu par l'officier inspecteur. Les hommes de la division des tentes, les brancardiers et les préposés au convoi devront se rendre aptes dans les devoirs de leurs sections particulières seulement.

5. Unités exercées aux chefs-lieux régimentaires.

6. *Cavalerie et infanterie sans champs de tir.*

Quand des unités de cavalerie et d'infanterie n'ont pas de champs de tir, les aptitudes pour la solde d'efficacité, consisteront, dans tous les cas, (sauf ceux exceptés par les articles précédents), à faire un point de 50% avec des cartouches de salle à 25 et 50 verges. (C.R., 42-13).

O. G. 50.

L'article 224 est modifié par l'ajouté de ce qui suit comme sous-paragraphe :—

Vu qu'aux chefs-lieux il est impossible de donner l'instruction aux spécialistes de la défense des côtes à Halifax, parce que les canons, télémètres, etc., forment partie de l'armement fixe de la forteresse, un effectif de 9 par compagnie de spécialistes payés (4 pointeurs, 3 éclaireurs de portée, et 2 téléphonistes) est autorisé pour le 1er régiment d'artillerie canadienne de place, avec la solde des spécialistes au taux de cinq centins par jour, à condition qu'ils subissent l'épreuve exigée tous les quatre mois. Les réclamations à ce sujet seront payées après que les examens tri-annuels seront finis, et le paiement de ces spécialistes sera en sus des sommes autorisées par l'article 224. (C.R. 4-2-23.)

RÈGLEMENTS CONCERNANT LES EFFETS D'HABILLEMENT.

Les règlements concernant les effets d'habillement 1905, sont modifiés par l'ajouté de ce qui suit :—

TRÉSORERIE MILITAIRE CANADIENNE.

(1) Les sous-officiers brevetés retireront l'allocation annuelle de $50 comme à présent, sous l'article 187, Règlements concernant la solde et les allocations.

(2) Les sergents porteront le même habillement et équipement que celui prescrit pour un sergent d'état-major.

(3) Une distribution gratuite d'habillement et de nécessaires sera faite à chaque homme au moment de son enrôlement dans les troupes permanentes canadiennes, mais non à un sous-officier ou homme transféré d'une autre unité des troupes permanentes.

(4) A l'exception du service stagiaire, s'il est confirmé dans son grade de sergent, il recevra l'allocation au taux fixé dans l'article 182, Règlements concernant la solde et les allocations pour les sergents d'état-major, aux conditions posées pour le paiement de cette allocation.

(5) Après paiement de l'allocation à sa confirmation comme sergent, il ne sera pas distribué d'effets d'habillement ou d'allocations en vertu des Règlements, mais une allocation de 10 centins par jour sera faite pour permettre à ces sous-officiers d'entretenir leur uniforme en bon état.

(6) Dans le cas d'un homme du grade de sergent, comme susdit, dans une autre unité des troupes permanentes, qui est transféré aux troupes permanentes canadiennes, si la période non expirée pour laquelle les allocations d'habillement ont été payées excède six mois, une réclamation pour changer son uniforme au modèle des troupes permanentes—accompagnée de la note du tailleur pour ce travail—peut être soumise au quartier général. Si la période est moins de six mois, l'allocation en vertu de la clause 4 ci-dessus, sera payée pour acquitter le coût des changements au modèle des troupes permanentes et du nouvel habillement, qui sont nécessaires. (C.R. 96-96-1.)

—

O. G. 53.

Les Règlements concernant les effets d'habillement, 1905, sont encore modifiés par l'ajouté de ce qui suit :—

1. Les tuniques de drap délivrées aux unités des villes devront durer dix ans au lieu de six ans comme autrefois.

2. Une casquette, modèle naval, sera distribuée à tous les grades, lorsque les casquettes de service actuellement en magasin seront épuisées.

3. Les casques ne seront plus distribués aux régiments ruraux.

4. Les casquettes de service de tartan, continueront d'être distribuées aux troupes permanentes et aux régiments autorisés à porter l'uniforme tartan. (C.R.96-38-9.)

8. L'inspecteur général avertira les officiers de commandements ou de districts des inspections qu'il se propose de faire, leur faisant connaître en même temps la nature des devoirs ou instructions dans lesquels il désire voir les troupes engagées à l'occasion de sa visite.

9. Les officiers commandant s'efforceront de se conformer aux désirs de l'inspecteur général, ainsi exprimés. (C.R. 970-1-1.)

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquel e le divorce sera demandé, ci-après appelée " part e défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

AVIS est donné par le présent qu'une demande sera adressée au parlement du Canada, à sa présente session, afin d'obtenir un acte constituant en corporation une compagnie sous le nom de " The Prudential Life Insurance Company of Canada ", autorisée à faire des opérations d'une compagnie d'assurance sur la vie dans toutes ses branches.

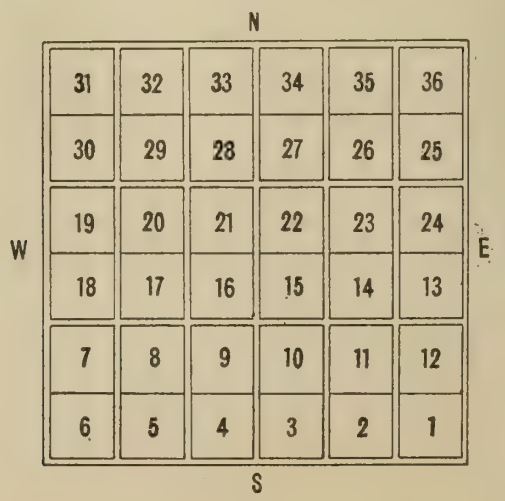
APPLICATION OF ACT.

Application.

3. This Act applies to the public lands of the Dominion to which the Dominion Lands Act applies.

ADMINISTRATION.

Administration.



4. The Minister shall have the administration, direction and control of the surveys of Dominion lands.

SURVEYS.

System of survey.

Townships. Sections.

5. The Dominion lands shall be laid off in quadrilateral townships, each containing thirty-six sections of as nearly one mile square as the convergence of meridians permits, with such road allowances, and of such width, as the Governor in Council prescribes. Such sections shall be bounded and numbered as shown by the following diagram:

Township boundaries.

6. The lines bounding townships on the east and west sides shall be meridians; and those on the north and south sides shall be chords to parallels of latitude.

Numbering and ranging of townships.

7. The townships shall be numbered, in regular order, northerly from the international boundary, or forty-ninth parallel of latitude, and shall lie in ranges numbered, in the province of Manitoba, east and west from a certain meridian line run in the year one thousand eight hundred and sixty-nine, styled the principal meridian, drawn northerly from the forty-ninth parallel of latitude at a point ten miles or thereabouts, westerly from Pembina; and in ranges numbered from such other initial meridians as the Minister orders to be established, which meridians shall be styled the second, the third, the fourth meridian, and so on, according to their order in number westward from the principal meridian.

Width of townships on base line. Meridians.

8. Townships shall be given their prescribed width on the base lines hereinafter mentioned; and the meridians between townships shall be drawn across such bases, northward and southward to the depth of two townships therefrom, that is to say, to the correction lines hereinafter mentioned.

Base lines.

9. The said forty-ninth parallel, or international boundary, shall be the first base line, or that for townships numbered one; the second base line shall be between townships four and five; the third between townships eight and nine; the fourth between townships twelve and thirteen; the fifth between townships sixteen and seventeen; and so on northerly, in regular succession.

Correction lines.

10. The correction lines, or those upon which the jog resulting from the convergence of meridians shall be allowed, shall be those lines running east and west between townships and midway between the bases, which lines are, the line between townships two and three, that between townships six and seven, that between townships ten and eleven, and so on.

Division of sections.

11. Each section shall be divided into quarter-sections of one hundred and sixty acres, more or less, subject to the provisions hereinafter contained.

Error.

12. The north and south error in closing on the correction lines from the north and south shall be allowed in the ranges of quarter sections adjoining, and north or south respectively of the said correction lines; except in the case of the north and south error in those townships between the first and second base lines, which error is to be left in the last quarter-section adjoining the said first base line.

Deficiency or surplus.

13. In the survey of a township, the east and west deficiency or surplus shall be allowed in the range of quarter-sections adjoining the west boundary of the township; but the Governor in Council may order such deficiency or surplus to be equally distributed among all the quarter sections involved.

Irregular quarter-sections.

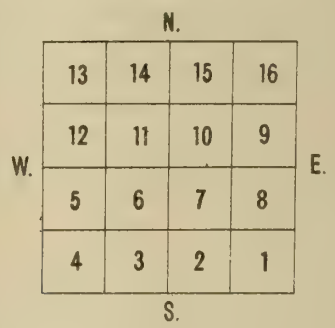
14. The dimensions and area of irregular quarter-sections or other parcels of land shall, in all cases, be returned by the surveyor at their actual measurements and contents: Provided that in cases in which road allowances are not between but through sections, the area reserved for such road allowances shall not be included in the area returned for a quarter-section, or other parcel of land.

Monuments to indicate corners.

15. Except as hereinafter provided, only a single row of monuments to indicate the corners of townships, sections or quarter-sections, shall be placed on any survey line thereof; such monuments shall, on north and south lines, be placed in the west limit of the road allowances, and on the east and west lines, in the south limit of road allowances, and in all cases shall fix and govern the position of the boundary corner between the adjoining townships, sections, or quarter-sections, on the opposite side of the road allowance.

Corners in correction line.

16. In the case of township, section and quarter-section corners on correction lines, monuments shall, in all cases, be placed and marked independently for the townships on each side; and when a road allowance is laid out along such a line, the monuments shall be placed in the limit of the road lying alongside the lands which they are intended to define.



Surveying to be by contract or tender.

17. The township subdivision surveys of Dominion lands, according to the system above described, shall be performed under contract, either at a rate per township, per mile, or per acre, to be fixed, from time to time, by the Governor in Council, or by competitive tender, as the Governor in Council may, from time to time, direct: Provided that in special cases, where circumstances render it advisable, the Governor in Council may order the survey of a township or townships to be otherwise performed.

Exception.

Legal subdivisions.

18. To facilitate the description for letters patent of less than a quarter section, every section shall be taken to be divided into quarter quarter-sections, each of forty acres more or less, which shall be styled legal subdivisions, and shall be numbered as shown in the following diagram:

Certain lands exempt from general rule as to laying out.

19. Nothing in this Act shall be construed to prevent lands bordering on any river, water-course or lake, or on a public road, from being laid out and divided into lots of any certain frontage or depth, in such manner as appears desirable, or the describing of such subdivisions of sections or lands bordering as above, or other lots, for patent, by numbers according to a plan of record, or by metes and bounds, or by both, as seems expedient, or to prevent any Dominion lands in mountainous regions, where the ordinary mode of survey is impracticable, from being laid out into townships, sections, quarter-sections or legal subdivisions by fixing the corners of such townships, sections, quarter-sections or legal subdivisions by reference to points determined by astronomical observations, or by triangulation or other geodetic process, in such manner as the Minister directs, and the describing of such townships, sections or quarter-sections or legal subdivisions for patent by metes and bounds, according to a plan of record.

20. Notwithstanding anything in this Act contained, the Minister may direct that lands in the Yukon Territory and in remote parts of the unorganized portions of the provinces of Saskatchawan and Alberta and the Northwest Territories shall be laid off into lots of such size and shape as may be found advisable, and such lots may be dealt with and may be described according to plans of record. Exception as to Yukon and remote territory.

OFFICIAL PLANS OF DOMINION LANDS.

21. Plans of Dominion lands surveyed under the provisions of this Act shall be plotted from the surveyors' field notes under the direction of the Surveyor General; and such plans shall show the direction and length of the boundaries, the nature and position of the boundary monuments and the areas of the quarter-sections or other parcels of land laid out. Confirmation of survey and plans thereof.

2. The confirmation of any such plan by the Surveyor General shall be held to be a confirmation of the survey, and the confirmed plan shall be the official plan; but no survey of Dominion lands shall be confirmed unless made in conformity with the provisions of this Act.

RE-SURVEYS.

22. Wherever through an error in the survey, a boundary monument is not at the place where it should have been erected, the Minister may order that such monument be removed and that a new monument be erected at the proper place,; but no monument defining the boundary of land for which letters patent have issued shall be displaced without the consent in writing of the owner thereof; nor shall a monument defining the boundary of land held as a homestead or under lease, license or agreement of sale be displaced without the consent in writing of the holder thereof, unless the error in the position of the monument is at least five chains, in which event the Minister may, without the consent of the holder, authorize the correction of the error, but the person or persons acquiring through such correction any improvements on the land shall be required to pay the owner of such improvements therefor such an amount as may be fixed by the Minister. Re-survey of disposed of land.

23. The Minister may order a re-survey on receipt of a petition from the owners of lands or from persons holding lands as homesteads or under lease, license or agreement of sale, representing that the monuments of the original survey have disappeared and agreeing to accept the boundary lines defined by the monuments of the re-survey. Re-survey on petition.

24. Undisposed of Dominion lands may be re-surveyed when found necessary. Re-survey undisposed of land.

25. Any survey of lands authorized by the Minister under the provisions of this Act, whether for the purpose of removing a monument wrongly placed through an error in a previous survey and erecting a new monument at the proper place, or for the purpose or re-establishing the lines of a previous survey, shall, when confirmed by the Surveyor General, become, and it is hereby declared to be, the original survey of the said lands; and upon such confirmation the boundaries established by the previous survey shall cease to have any force or effect, and any confirmed plan or plans plotted from the field notes of the previous survey shall cease to be the official plan or plans of the said lands. Re-survey to have effect of original.

SURVEY OF AUTHORIZED SUBDIVISIONS.

Establishing line between sections.

26. When it is necessary for a Dominion Land Surveyor to establish the division line between two sections, he shall effect this by connecting, by a straight line, the opposite original section corners, if they exist, and if not, by similarly connecting points established in renewal thereof, in accordance with the provisions of this Act relating to lost corners, giving, in either case, the quarter-sections involved an equal breadth.

Laying out half or quarter sections.

2. In laying out a half-section or quarter-section he shall connect the opposite quarter-section corners by straight lines, but when the quarter-section corner in any of the limits of the section has not been marked by a monument in the original survey, then such corner shall be established by giving to each half-section its proportionate share of such limit according to the official plan of the township, and the half-sections shall then be laid out by connecting the corner so established to the opposite corner.

Other subdivisions.

3. In laying out other authorized subdivisions he shall give to every such subdivision its proportionate share of the frontage and interior breadth, according to the official plan of the survey, and connect the resulting terminal points by a straight line.

Lines in ground to be true limits.

4. The lines or limits so drawn on the ground in the manner above described shall, in the respective cases, be the true lines or limits of such section, half-section, quarter-section or legal subdivision, whether the same correspond or do not correspond with the area expressed in the respective official plans or letters patent for such lands.

ORIGINAL BOUNDARY LINES.

Boundaries as defined by monuments shall be deemed the true boundaries.

27. All boundary lines of townships, sections or other authorized subdivisions of towns or villages, of blocks, gores or commons, and all section lines and governing points and all limits of lots surveyed as defined by monuments placed at the corners of any section or other authorized subdivision, or of any township, town or village, or of any block, gore, common, lot or parcel of land, in accordance with the provisions of this Act shall, after confirmation of the survey by the Surveyor General and subject to the provisions herein contained, be the true boundaries of such townships, sections or other authorized subdivisions, of such towns or villages and of such blocks, gores, commons, lots or parcels of lands respectively, whether the same, upon admeasurement, are or are not found to contain the exact area or dimensions mentioned or expressed in any official plan or in any letters patent, grant or other instrument in respect of any such township, town, village, section or other authorized subdivision, block, gore, common, lot or parcel of land.

Every division to comprise the area within its boundaries.

28. Every township, section or other authorized subdivision, and every town, village, block, gore, common, lot or parcel of land, shall consist of the whole width included between the several monuments placed as aforesaid, at the several corners thereof, and no more or less, notwithstanding any quantity or measure expressed in the official plan, letters patent, grant, or other instrument.

Aliquot part.

29. Letters patent for, or grant of, or any instrument purporting to convey any right or interest in any aliquot part of any section, or other authorized subdivision, block, gore, common, lot or parcel of land, shall be construed to affect such aliquot part of the quantity the same contains on the ground, whether such quantity is more or less than that expressed in such letters patent, grant or instrument.

30. In every town or village surveyed or laid out under the provisions of this Act, all allowances for any road, street, lane, or common, laid out in the original survey of such town or village, shall be public highways and commons; and all mounds, posts, pits or other monuments placed or planted in the original survey of such town or village, to designate or define any allowance for a road, street, lane, lot or common, shall be the true boundaries of such road, street, lane, lot or common; and all Dominion Land Surveyors employed to make surveys in such town, or village shall follow and pursue the same rules and regulations in respect of such surveys as are, by law, required of them when employed to make surveys in townships, as far as such rules and regulations are applicable.

Road allowances in towns and villages to be public highways.

RE-ESTABLISHMENT OF LOST CORNERS.

31. Whenever a Dominion Land Surveyor is employed to run any dividing line or limit between sections or other authorized subdivisions, and the monuments erected in the original survey to define the corner of such section or other authorized subdivision cannot be found, he shall obtain the best evidence that the nature of the case admits of, respecting such monument; but if the position of the same cannot be satisfactorily so ascertained he shall proceed as follows:—

When original monument is lost.

(*a*) If the lost monument is that defining a township corner he shall report the circumstances of the case to the Surveyor-General, who shall instruct him how to proceed;

If a township corner.

(*b*) If the lost monument is on one of the outlines of a township, or on one of the interior meridian section lines of a township, he shall connect by a straight line the nearest section or quarter-section corners found on such outline or such interior meridian section line, and divide such straight line into such number of quarter-sections as the same contained in the original survey, giving to each a breadth proportional to the breadth shown on the official plan of the township;

If on the outlines.

(*c*) If the lost monument is on the outline of a township and all the monuments between it and the corner of the township, together with the monument defining the said corner, are also lost, the township corner shall be re-established, as aforesaid, previously to re-establishing the outline of the township;

If on the outline and other monuments are lost.

(*d*) When the lost corner is that of a quarter-section on a section line running east and west in the interior of a township, the surveyor shall connect by a straight line, the opposite section corners on the meridian boundaries of the section and give to each quarter-section a breadth proportional to the breadth shown on the official plan of the township;

If in the interior.

(*e*) When a corner on either of the meridian boundaries of the section is also lost, such meridian shall be re-established previously to re-establishing the east and west line.

If on meridian boundary.

2. Whenever a surveyor places a monument, as aforesaid, to re-establish a lost corner, he shall duly take into account any allowance for a road or roads; and the corner, or division or limit so established, shall be the true corner, or division or limit of such township, section or quarter-section.

Road allowance to be taken into account.

3. Notwithstanding anything in this section provided, re-surveys of Dominion lands may be made, on the order of the Minister, in such manner, not inconsistent with the other provisions of this Act, as he may direct.

Exception.

THE SENATE.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(2) A Post Office address n Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquel e le divorce sera demandé, ci-après appelée " part e défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, là ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and sha l specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties ; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent. "

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laque e le divorce sera demandé, ci-après appelée " part e défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, là ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

After which His Excellency the Governor General was pleased to close the THIRD SESSION of the TENTH PARLIAMENT of the DOMINION with the following

SPEECH :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In bringing to a close the third session of the tenth Parliament of Canada, I desire to express to you my thanks for the care and assiduity you have shown in the discharge of your important duties, the results of which are apparent in many important Acts which must prove of great benefit to the country.

I am glad to observe that the fiscal period terminating on the last day of March was, in proportion to its length, the most prosperous in the history of the Dominion, and that the present indications are that the expansion of the country's trade and revenue will continue during the year that we are now entering

upon ; a fact that is particularly gratifying in view of the important undertakings to which Canada is committed.

The stream of immigrants entering the Dominion continues yearly to expand, and it is very satisfactory to note that a larger number is coming from the British Isles than in former years.

The recent revision of the tariff will, it is believed, meet with the general approval of the trade, removing as it does many inequalities heretofore existing.

One of the most important of the subjects which have engaged your attention is that of the subsidies and allowances to be paid out of the Dominion treasury to the several provinces. I trust that the proposed changes in the Imperial legislation respecting which you have adopted an address to His Majesty will, if enacted, go far towards removing the grievances of which the Provincial Governments have complained as to the insufficiency of their revenues.

The substantial aid now offered towards the establishment of cold storage should stimulate the erection of those necessary adjuncts for the preservation of perishable foods.

I have observed with gratification the passage of an Act having for its object the maintenance of industrial peace in all public utilities. This legislation has already been applied with success. It is confidently expected that when the provisions of the Act for the settlement of industrial disputes are fully understood, both employee and employers will be ready to refer their differences to Boards of investigation and conciliation and thus avoid the evils following strikes and lockouts.

The arrangements lately made between the Imperial and Canadian postal departments, providing for a substantial reduction on newspapers and periodicals coming from the United Kingdom, have, I am glad to know, been received with much satisfaction as a measure likely to promote a freer communication between the Mother Country and Canada.

Gentlemen of the House of Commons :

I thank you in His Majesty's name for the liberal supplies you have granted for the public service.

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In now relieving you from your duties let me express the fervent hope that when we meet again at the next session, an equally prosperous condition will prevail throughout Canada and in the meantime let us not forget to express gratitude to a kind Providence for the many blessings conferred upon our country.

THE SPEAKER of the Senate then said :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Saturday, the first day of June next, to be here holden, and this Parliament is accordingly prorogued until the first day of June next.

NOTICE TO MARINERS.

Government Rifle Ranges, McNab's Island.

OWING to the extreme range of the Lee-Metford or Magazine Rifle, with which the musketry training of the troops will in future be conducted and with a view to the better protection of the public, it has been found necessary to demarcate more clearly the area of water seawards, and to the south of above ranges, liable to be struck by spent or ricochet bullets.

This area has been marked by four spar buoys, placed at intervals between the Thrum Cap Shoal and the Eastern Passage, at a distance of 3,000 yards from the stop-butts. The buoys mark the extreme limits of the Danger Zone. The spars are painted Red, and are surmounted by cross heads painted Red and White.

Notice is therefore hereby given that any ship or boat passing inside these buoys, during the hours of practice, incurs serious risk, and no attempt should, under any circumstances, be made to cross the aforesaid area as long as the red flag hoisted at the south end of McNab's Island is left flying.

This notice will have effect from the 1st May, 1907.

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

ONTARIO.

(63) DEROIT RIVER—LIMEKILN CROSSING — CHANGES IN CHANNEL AND IN AIDS TO NAVIGATION.

The United States Government having completed the excavation of the west half of the 600-ft. channel through Limeklin crossing to a depth of 21 feet at a lake Erie stage of 571 feet above mean tide at New York, equivalent to about 22.5 feet at the average mid-summer level of the river, a rearrangement of aids to navigation has become necessary, and will be carried out by the two Governments concerned on the opening of navigation in 1907 as follows ;—

Head of Bois Blanc island range lights discontinued.—These range lights heretofore maintained by the Canadian Government have been permanently discontinued and the towers will be taken down.

Limekiln crossing range discontinued.—The range lights marking the axis of the old channel through Limekiln crossing, abreast of Fort Malden, heretofore maintained by the Canadian Government, have been permanently discontinued and the towers will be taken down.

Pending the completion of work in the east half of the channel, which is to be deepened to the same depth as the west half by the end of the season of 1908, the west half only will be available for navigation and the axis of the west half will be temporarily marked by the Government of Canada by two new ranges of lights, one below the cut near the Bois Blanc island shore, which will be known as Limekiln crossing range, the other above the cut near Texas Dock, which will be known as Texas Dock range.

Limekiln crossing range.—Marked by two targets supported on piles driven in the water near the east shore of Bois Blanc island. These targets are each 8 feet square and so placed that the diagonals are vertical and horizontal. They are painted white excepting a black stripe one foot wide along the vertical diagonal.

The rear target is 130 feet north of the north ferry landing on Bois Blanc island, and the front target is 703 feet N. 2° 56′ E. from the rear target and near the west edge of the channel.

The middle of the front target is 10 feet above the water surface and is marked at night by a fixed white lens lantern light. The middle of the rear target is 20 feet above the water surface and is marked at night by a fixed red lens lantern light.

Texas Dock range —Marked by two targets rectangular in form, 6 feet wide by 8 feet high, painted white.

The front target is placed on a pole at the northwest corner of Texas Dock. The middle of the target is 15 feet above the water surface, and at night a fixed red lens lantern light is placed 16 feet above the water surface.

The rear target is on the Canadian shore 1491 feet N. 2° 56′ E. from the front target. The middle of the target is 39 feet above the water surface, and at night a fixed white lens lantern light is placed 41 feet above the water surface.

Fort Malden range moved and improved.—The private range lights maintained by Messrs. Duff & Gatfield to mark Ballard reef channel, have been moved in position to the westward, to lead vessels into the head of the new Limekiln crossing cut.

This range consists of two skeleton steel towers, square in plan, with sloping sides, with targets and lights at the top and with about 10 feet in height at their bases inclosed, situated on the Canadian shore nearly abreast of the south Limekiln crossing light vessel.

The front tower is 50 feet high above ground, has a white base and target, and is marked at night by a fixed white light 71 feet above the water surface.

The rear tower is 700 feet S. 16° 58′ 40″ E. from the front tower, is 80 feet high above ground, has a red base and target, and is marked at night by a fixed red light 98 feet above the water surface.

These towers are about 700 feet south by west from their former positions. They do not now mark the axis of Ballard reef channel, but temporarily lead towards the west side of it so as to give a fair lead into the west half of Limekiln crossing.

Texas Dock old lights discontinued.—The range of lights heretofore maintained by Messrs. Duff & Gatfield at Texas Dock, marking the old Limekiln crossing channel, have been discontinued and the targets removed.

Limekiln crossing light vessels moved.—The light vessels maintained here by the United States Government have been moved, the north one about 200 feet N. 76° W. from its former position, and the south light vessel about 400 feet S. 59° W. from its former position. In their new positions these light vessels mark the west bank of the new channel at the north and south ends of the rock cut, and they are about 3,200 feet aport.

Positions of buoys at Limekiln crossing.—Four red spar buoys (maintained by the Canadian Government) with red lights at night (maintained by the Lake Carriers' Association), placed at 1,000 feet intervals, mark the east bank of the new channel at Limekiln crossing ; and two black spar buoys with white lights at night mark the west bank along the line joining the the two light vessels.

Sailing Directions. — A vessel coming up the river will hereafter keep the Elliott point range lights in one until reaching the alignment of the Limekiln crossing range lights, near the head of Bois Blanc island, and will pass through the crossing with the Texas Dock range in one ahead until reaching the alignment of the Fort Malden range lights, which will take her through Ballard reef channel. The new channel at Limekiln crossing will be found clear to 21 feet depth throughout its width of 300 feet, marked by four red spar buoys on the starboard hand and by the light vessels and two blacks spar buoys on the port hand.

When the excavation is completed the crossing will be 600 feet wide, and will be marked by the permanent towers at Texas Dock, 150 feet east of the alignment of the temporary range lights now being established.

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

" Au nom de Sa Majesté, Son Excellence le Gouverneur Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur Général de clore la TROISIÈME SESSION DU DIXIÈME PARLEMENT par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En mettant fin à la troisième session du dixième parlement du Canada, je désire vous offrir mes remercîments pour le soin et l'assiduité que vous avez apportés à l'exécution de vos importants devoirs, dont les résultats sont très visibles dans de nombreuses lois qu promettent d'être d'un grand avantage au pays.

Je suis content de voir que la période fiscale finissant le dernier jour de mars a été, relativement à sa durée, la plus prospère dans l'histoire du Dominion, et que tout indique que le développement du commerce et des revenus du pays continuera durant l'année qui va s'ouvrir ; ce qui doit être un sujet de félicitations, vu les grands travaux que le Canada a entrepris.

Le courant d'immigrants qui entrent au Canada augmente d'année en année et, fait agréable à constater, un plus grand nombre vient des Iles britanniques que par le passé.

La récente revision du tarif méritera, je l'espère, l'approbation générale du commerce, en faisant disparaître nombre d'inégalités qui existaient autrefois.

L'un des plus importants sujets qui aient attiré votre attention, concerne les subsides et les allocations à payer aux diverses provinces à même le Trésor du Dominion. J'espère que si les changements suggérés au Parlement impérial, au sujet desquels vous avez adopté une adresse à Sa Majesté, deviennent loi, ils contribueront à faire disparaître les griefs dont se sont plaints les gouvernements provinciaux au sujet de l'insuffisance de leurs revenus.

L'aide matérielle aujourd'hui offerte pour encourager l'établissement d'entrepôts frigorifiques stimulera sans doute la construction des installations nécessaires à la conservation des produits alimentaires périssables.

J'ai remarqué avec plaisir l'adoption d'une loi ayant pour objet le maintien de la paix industrielle dans toutes les entreprises publiques. Cette législation a déjà été appliquée avec succès. On s'attend avec confiance que lorsque les dispositions de la loi pour le règlement des différends industriels seront bien comprises, les patrons et les employés seront prêts à soumettre leurs disputes à des conseils d'investigation et de conciliation, et éviteront ainsi les maux qui résultent des grèves et des contre grèves.

Les arrangements récemment conclus entre les autorités postales impériales et canadiennes, établissant une réduction matérielle sur les journaux et les périodiques venant du Royaume-Uni, ont été reçus, je suis heureux de l'apprendre, avec beaucoup de satisfaction, comme mesure propre à encourager des communications plus faciles entre la mère patrie et le Canada.

Messieurs de la Chambre des Communes :

Au nom de Sa Majesté, je vous remercie des généreux subsides que vous avez votés pour le service public.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous remerciant de vos devoirs, permettez-moi d'espérer que lorsque nous nous rencontrerons de nouveau à la prochaine session, nous pourrons constater que la prospérité générale du pays n'a en rien diminué, et en attendant n'oublions pas d'exprimer notre gratitude envers la Divine Providence qui a comblé notre pays de ses nombreux bienfaits.

L'ORATEUR du Sénat alors dit :

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à Samedi, le premier jour de juin prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à samedi, le premier jour de juin prochain.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laque e le divorce sera demandé, ci-après appelée " part e défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements uivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt,* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

RODOLPHE BOUDREAU,
45–3 Acting Clerk of the Privy Council.

[Ref. 1,378,845.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday, the 3rd day of April, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 8th February, 1907, from the Minister of the Interior, stating that Mr Temple Frederick Sinclair, of New Westminster, in the month of November, 1888, purchased the fractional S½ of the S.W. ¼ of Section 22, Township 40, east Coast Meridian, containing forty-six acres, at $5 per acre, for stone quarrying purposes, letters patent therefor having been issued on the 1st June, 1889. It subsequently transpired, however, that the land conveyed by this grant did not cover the stone quarry the applicant intended to secure, and in connection with this he represented that he had expended $14,000, such stone quarry being in reality situated on a portion of the N.W. ¼ of the said Section 22. He therefore, requested that the mistake be rectified by the issue of a correct patent and it appears that this request would have been granted at the time as there was no doubt that a mistake had been made in describing the land upon which the quarry was situated as the S. ½ of the S.W. ¼ of the section in question which had been patented to Mr. Sinclair, instead of part of the N.W. ¼ of the said section, had not Mr. F. J. Coulthard and Mr. A. G. Gamble protested against this action being taken. These two persons, however, have since assigned any claim they might have had in the property to Mr. Sinclair.

The Minister further states that by Order in Council dated the 18th March, 1899, the whole of the fractional N.W. ¼ of the said Section 22 and part of the N.E. ¼ thereof lying west of Pitt River were reserved to be used by the Department of Public Works for quarrying purposes but the Department of Public Works now intimates that it has come to an arrangement with Mr. Sinclair whereby any objection to the correction of the mistake which had been made in the description of the land in the letters patent to him is removed ; and that the Order in Council of the 18th March, 1899, already referred to may be considered to be no longer required.

The Minister is of the opinion, in view of the facts above mentioned, that the said Order in Council of the 18th March, 1899, should be rescinded and that the land containing the quarry should be patented to Mr. Sinclair upon his surrendering to the Crown, free of all encumbrances, the land which was patented to him in error and upon his furnishing the Department of the Interior with a proper description of the part of the N. W¼ containing the quarry.

The Minister, therefore, recommends that the Order in Council of the 18th March, 1899, be rescinded and that a grant be made to Mr. Sinclair of the portion of the N. W. ¼ of the said Section 22, Township 40, east Coast Meridian, containing the quarry, upon a satisfactory description thereof being furnished the Minister of the Interior.

The committee submit the same for approval.

ONTARIO.

(63) DEROIT RIVER—LIMEKILN CROSSING — CHANGES IN CHANNEL AND IN AIDS TO NAVIGATION.

The United States Government having completed the excavation of the west half of the 600-ft. channel through Limeklin crossing to a depth of 21 feet at a lake Erie stage of 571 feet above mean tide at New York, equivalent to about 22.5 feet at the average mid-summer level of the river, a rearrangement of aids to navigation has become necessary, and will be carried out by the two Governments concerned on the opening of navigation in 1907 as follows ;—

Head of Bois Blanc island range lights discontinued.—These range lights heretofore maintained by the Canadian Government have been permanently discontinued and the towers will be taken down.

Limekiln crossing range discontinued.—The range lights marking the axis of the old channel through Limekiln crossing, abreast of Fort Malden, heretofore maintained by the Canadian Government, have been permanently discontinued and the towers will be taken down.

Pending the completion of work in the east half of the channel, which is to be deepened to the same depth as the west half by the end of the season of 1908, the west half only will be available for navigation and the axis of the west half will be temporarily marked by the Government of Canada by two new ranges of lights, one below the cut near the Bois Blanc island shore, which will be known as Limekiln crossing range, the other above the cut near Texas Dock, which will be known as Texas Dock range.

Limekiln crossing range.—Marked by two targets supported on piles driven in the water near the east shore of Bois Blanc island. These targets are each 8 feet square and so placed that the diagonals are vertical and horizontal. They are painted white excepting a black stripe one foot wide along the vertical diagonal.

The rear target is 130 feet north of the north ferry landing on Bois Blanc island, and the front target is 703 feet N. 2° 56′ E. from the rear target and near the west edge of the channel.

The middle of the front target is 10 feet above the water surface and is marked at night by a fixed white lens lantern light. The middle of the rear target is 20 feet above the water surface and is marked at night by a fixed red lens lantern light.

Texas Dock range —Marked by two targets rectangular in form, 6 feet wide by 8 feet high, painted white.

The front target is placed on a pole at the northwest corner of Texas Dock. The middle of the target is 15 feet above the water surface, and at night a fixed red lens lantern light is placed 16 feet above the water surface.

The rear target is on the Canadian shore 1491 feet N. 2° 56′ E. from the front target. The middle of the target is 39 feet above the water surface, and at night a fixed white lens lantern light is placed 41 feet above the water surface.

Fort Malden range moved and improved.—The private range lights maintained by Messrs. Duff & Gatfield to mark Ballard reef channel, have been moved in position to the westward, to lead vessels into the head of the new Limekiln crossing cut.

This range consists of two skeleton steel towers, square in plan, with sloping sides, with targets and lights at the top and with about 10 feet in height at their bases inclosed, situated on the Canadian shore

nearly abreast of the south Limekiln crossing light vessel.

The front tower is 50 feet high above ground, has a white base and target, and is marked at night by a fixed white light 71 feet above the water surface.

The rear tower is 700 feet S. 16° 58′ 40″ E. from the front tower, is 80 feet high above ground, has a red base and target, and is marked at night by a fixed red light 98 feet above the water surface.

These towers are about 700 feet south by west from their former positions. They do not now mark the axis of Ballard reef channel, but temporarily lead towards the west side of it so as to give a fair lead into the west half of Limekiln crossing.

Texas Dock old lights discontinued.—The range of lights heretofore maintained by Messrs. Duff & Gatfield at Texas Dock, marking the old Limekiln crossing channel, have been discontinued and the targets removed.

Limekiln crossing light vessels moved.—The light vessels maintained here by the United States Government have been moved, the north one about 200 feet N. 76° W. from its former position, and the south light vessel about 400 feet S. 59° W. from its former position. In their new positions these light vessels mark the west bank of the new channel at the north and south ends of the rock cut, and they are about 3,200 feet aport.

Positions of buoys at Limekiln crossing.—Four red spar buoys (maintained by the Canadian Government) with red lights at night (maintained by the Lake Carriers' Association), placed at 1,000 feet intervals, mark the east bank of the new channel at Limekiln crossing; and two black spar buoys with white lights at night mark the west bank along the line joining the the two light vessels.

Sailing Directions. — A vessel coming up the river will hereafter keep the Elliott point range lights in one until reaching the alignment of the Limekiln crossing range lights, near the head of Bois Blanc island, and will pass through the crossing with the Texas Dock range in one ahead until reaching the alignment of the Fort Malden range lights, which will take her through Ballard reef channel. The new channel at Limekiln crossing will be found clear to 21 feet depth throughout its width of 300 feet, marked by four red spar buoys on the starboard hand and by the light vessels and two blacks spar buoys on the port hand.

When the excavation is completed the crossing will be 600 feet wide, and will be marked by the permanent towers at Texas Dock, 150 feet east of the alignment of the temporary range lights now being established.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties ; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent. "

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00

4. Lorsqu'un bill a pour objet d'augmenter le capital social d'une compagnie la taxe supplémentaire sera établie d'après le tarif ci-dessus, mais ne sera exigée que sur le chiffre de l'augmentation.

5. Lorsqu'un bill a pour objet d'augmenter les pouvoirs de contracter des emprunts d'une compagnie sans aucune augmentation du capital social, la taxe supplémentaire sera de $300.00.

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué,

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

Conditions.

5. The subsidies hereinbefore authorized to be granted to companies named shall, if granted by the Governor in Council, be granted to such companies respectively; the other subsidies

As to running powers.

6. The granting of such subsidies and the receipt thereof by the respective companies shall be subject to the condition that the Board of Railway Commissioners for Canada may at all times provide and secure to other companies such running powers, traffic arrangements and other rights as will afford to all railways connecting with the railways and bridge so subsidized reasonable and proper facilities in exercising such running powers, fair and reasonable traffic arrangements with connecting companies, and equal mileage rates between all such connecting railways; and the said Board shall have absolute control, at all times, over the rates and tolls to be levied and taken by any of the companies, or upon any of the railways and bridge hereby subsidized: Provided always that any decision of the said Board made under this section may be at any time varied, changed or rescinded by the Governor in Council, as he deems just and proper.

Transportation of Government supplies, etc.

7. Every company receiving a subsidy under this Act, its successors and assigns, and any person or company controlling or operating the railway or portion of railway subsidized under this Act, shall each year furnish to the Government of Canada transportation for men, supplies, materials and mails over the portion of the lines in respect of which it has received such subsidy, and, whenever required, shall furnish mail cars properly equipped for such mail service; and such transportation and service shall be performed at such rates as are agreed upon between the Minister of the department of the Government for which such service is being performed, and the company performing it, and, in case of disagreement, then at such rates as are approved by the Board of Railway Commissioners for Canada; and in or towards payment for such charges the Government of Canada shall be credited by the company with a sum equal to three per cent per annum on the amount of the subsidy received by the company under this Act.

Production of accounts.

8. As respects all railways and the bridge for which subsidies are granted by this Act, the company at any time owning or operating any of the railways or the bridge shall, when required, produce and exhibit to the Minister of Railways and Canals, or any person appointed by him, all books, accounts and vouchers showing the cost of constructing the railway or bridge, the cost of operating it, and the earnings thereof.

As to Canadian steel rails.

9. The Governor in Council may make it a condition of the grant of the subsidies herein provided that the company shall lay the railway with new steel rails and fastenings made in Canada and shall purchase all materials and supplies required for the construction of the railway and bridge, and the rolling

stock for the first equipment of the railway, from Canadian producers, if such rails, fastenings, materials, supplies and equipment are procurable in Canada of suitable quality and upon terms as favourable as elsewhere, of which the Minister of Railways and Canals shall be the judge.

Mode of payment of certain railway subsidies.

10. Whenever a contract has been duly entered into with a company for the construction of any line of railway hereby subsidized, the Minister of Railways and Canals, at the request of the Company, and upon the report of the Chief Engineer of the Department of Railways and Canals, and his certificate that he has made careful examination of the surveys, plans and profile of the whole line so contracted for, and has duly considered the physical characteristics of the country to be traversed and the means of transport available for construction, naming the reasonable and probable cost of such construction, may, with the authorization of the Governor in Council, enter into a supplementary agreement, fixing definitely the maximum amount of the subsidy to be paid, based upon the said certificate of the Chief Engineer, and providing that the company shall be entitled to be paid, as the minimum, the ordinary subsidy of $3,200 per mile, together with sixty per cent of the difference between the amount so fixed and the said $3,200 per mile, if any; and the balance, forty per cent, shall be paid only on completion of the whole work subsidized, and in so far as the actual cost, as finally determined by the Governor in Council upon the recommendation of the Minister of Railways and Canals, and upon the report and certificate of the said Chief Engineer, entitles the company thereto: Provided always—

(*a*) that the estimated cost, as certified, is not less on the average than $18,000 per mile for the whole mileage subsidized:

(*b*) that no payment shall be made except upon a certificate of the Chief Engineer that the work done is up to the standard specified in the company's contract;

(*c*) that in no case shall the subsidy exceed the sum of $6,400 per mile.
